THE
SANCTUARY
SPA & BEAUTY

Its hard to believe we are entering the second month of 2019 already. I feel like we've only just caught our breath after the incredible Christmas trade. Thank you all so much for your patronage and loyalty, we trust you've thoroughly enjoyed your blissful experiences with our therapists, Emily, Brooke, Cassandra, and Renae.

Theres a common saying, "that its hard to get good staff", this is certainly not the case with The Sanctuary staff, we have a very experienced team of therapists, and fantastic personalities on our front desk. This year, sadly we loose some key members of our team, as they are embarking on new and exciting self challenges. I wish to thank, Stef, Jodie, and Sammy for their years of loyalty, professionalism, laughter and friendship. You will be sadly missed.

I hear you asking, whose going to replace these incredible staff? Well its simple... ME! Yes you will see me managing the front desk. As my kids are becoming more independent I now have more time to give to you, my awesome staff and the Sanctuary.

I'm very excited for our new chapter, and I look forward to this Journey with you all.
